

FLORENCE NIGHTINGALE GRANTS AND AWARDS REFEREE REPORT

Please consider the following information when completing this report to assist the Committee with their assessment of the applicant's scholarship submission:

- Which grant/award they are applying for and how their study/program/project aligns to the stated scholarship?
- How long have you known the applicant in their professional capacity?
- How long has the applicant worked in the team or unit and in what role?
- What do they currently contribute to the team or unit and strengths in their current role?
- Your professional opinion of their capacity to meet the requirements of the scholarship category.
- The benefits of the study/program/project to the applicant's career development, the nursing and/or midwifery profession and the Tasmanian community?
- The willingness of the applicant to promote nursing/midwifery?
