Florence Nightingale Grants and Award Recipient Report

I was incredibly grateful to receive the Robyn Whitworth Study Grant in 2022. The grant allowed me to focus on my studies without the added stress of financial burdens and it assisted in the purchase of a new iPad. The iPad has been very useful for note taking and reading whilst 'on the go'!

With the grant I am able to take full advantage of my academic opportunities and work towards achieving my goal of becoming a qualified nurse practitioner. I am committed to making the most of this opportunity and improving care and outcomes of chronic kidney disease patients in the north west of Tasmania and am extremely grateful and honoured to receive such a grant.
